

Teen Challenge of Kentucky Priscilla's Place STUDENT LEGAL AND MEDICATION POLICIES

The following policies are part of the program of Teen Challenge of Kentucky:

Legal Issues: If a student is court-ordered to our program or she has legal issues that need to be resolved, she is required to inform the intake coordinator before her arrival in the program. The student is responsible for bringing or having someone send any relevant legal documentation to Teen Challenge. The student is required to fulfill all reporting requirements in regards to probation or other legal agents/agencies. If a student has a warrant out for her arrest, she is required to follow the law and turn herself in. She will not be allowed to stay at Teen Challenge.

If a student is on probation or is involved with the court system:

1. The student must provide the name and the contact information of her probation officer or officer of the court.
2. The Center Director or Student Advisor will send a progress report to the student's probation officer once a month.
3. Students that need to report to a probation officer once per month in person may get their probation transferred to an office near Teen Challenge.
4. Students are required to fulfill all court dates and regulations while in the program.
5. If a student chooses to leave the program, staff will immediately notify the probation office or court system that is involved. **There are NO exceptions to this policy.**

Medication Policy: Teen Challenge of Kentucky **does not allow** students to take any of the following medications while in the program: **psychotropic, narcotic, anti-depressant, anti-anxiety, muscle relaxers, sleeping pills, sedatives, or first generation antihistamines, or medications associated with medication assisted treatment such as buprenorphine, methadone, or naltrexone.** If an applicant is currently taking any of these medications, but she desires to stop taking the medication in order to enter our program, she must obtain a doctor's release to do so. *We will not* direct a student to stop using prescribed medication. If a student chooses to take any unapproved medication while in the program, she will need to exit the program.

Program Components:

All students will be required to attend groups and classes that will address both life-controlling issues and personal growth opportunities. Every student is required to attend classes and group sessions. Teen Challenge utilizes advisor/mentor relationships as means of providing counsel and care to the student.

Role of Staff Advisor:

Every student will be assigned a Staff Advisor who will meet with her a minimum of 1 time per week to discuss program progress and individual needs. The student and advisor will meet for a minimum of 30 minutes each week.

By signing this statement, I am stating that I understand and agree to abide by the policies set forth on this page by Teen Challenge of Kentucky.
