

## Adult & Teen Challenge of Kentucky Priscilla's Place PROGRAM DISCLOSURES

Initial each of the following statements indicating you have read and understand each statement:

### *Initials*

- \_\_\_\_\_ 1. *Priscilla's Place Adult & Teen Challenge* is located in two 3-story Victorian homes with several sets of stairs and no elevator. Students are required to participate in household chores, classes and the activities on each floor.
- \_\_\_\_\_ 2. *Adult & Teen Challenge of Kentucky* is affiliated with the Assemblies of God (AG) fellowship and adheres to AG positions on religious issues including but not limited to sexuality, marriage, spiritual gifts, etc. For more information visit [ag.org](http://ag.org).
- \_\_\_\_\_ 3. *Adult & Teen Challenge* is not a medical or psychiatric facility and does not allow narcotic medications, benzodiazepines, muscle relaxers or other sedative medications (including certain antihistamines), or medications associated with medication assisted treatment (buprenorphine and methadone). Only certain psychotropic medications are allowed (see the Medication Policy for a full list). We do not recommend that an individual stop taking medications against medical advice.
- \_\_\_\_\_ 4. Due to staffing limitations and the narrow focus of the *Adult & Teen Challenge* program on addiction recovery, individuals needing ongoing medical care (e.g. dialysis, prenatal care, etc) will be unable to participate in the program. If an individual requires this type of care, our staff can refer her to another program.
- \_\_\_\_\_ 5. *Adult & Teen Challenge* does not provide detox services so students that require detox must complete it before intake.\* Drug tests are given during the intake process. If you are found to be under the influence of drugs or alcohol at the time of intake, you will be required to leave the facility and reschedule another intake date when you are not under the influence to complete the intake process. \**Students who expect to feel only mildly unwell after stopping the use of drugs may request "Early Entry" status.*
- \_\_\_\_\_ 6. *Adult & Teen Challenge* is a non-smoking facility. Students should quit smoking *before* arriving, as stop-smoking aids such as patches and nicotine gum are not allowed.
- \_\_\_\_\_ 7. *Adult & Teen Challenge* is not simply a substance abuse recovery center. It is a Christian discipleship program. Students participate in worship services, chapels, Bible studies and other religious activities on a daily basis.
- \_\_\_\_\_ 8. The Priscilla's Place Adult & Teen Challenge program is a *minimum* of 12 months. Successful and timely completion of each of the 4 phases of the program is necessary for a student to graduate in 12-15 months. Even if a student is court-ordered to Adult & Teen Challenge for a shorter period of time, a student cannot successfully graduate in less than 12 months. *Note: You may complete the First Roots Crisis Program in 5-8 weeks; however, it does not qualify as an official Adult & Teen Challenge Program Graduation.*

***I acknowledge that I have read and understand all of the above disclosures.***
